

## COMMUNITY GROUP LEADER BASIC TRAINING

### LESSON 15: REPLICATION

#### **INTRODUCTION:**

One of the hallmarks of our community groups is our commitment to growth and providing more opportunities for people to hear the gospel and grow as disciples of Jesus. Therefore, our groups are designed from the starting block to prepare for a time when they plant a new community because of the work that God is doing. Our goal is to saturate our city with community groups that reflect the glory of God, bless the city and see people's lives transformed by Jesus. Replications should be a source of celebrations and joy because the gospel is moving and the kingdom is growing!

#### **ASSIGNMENT:**

Watch the leader training video [Part 15: Replication: Growth for the Gospel](#)

#### **REFLECTION:**
