LESSON 10: AUTHORITY OF THE BIBLE

INTRODUCTION:

As Christians, God is our highest authority and He has revealed His will through the revelation of Scripture. Therefore a high view of Scripture is essential for any one who wants to shepherd a community group at Mars Hill Church. The Bible should be your first source of wisdom, counsel and joy.

ASSIGNMENT:

Watch the leader training video [Part 10: Authority of the Bible](#)

REFLECTION:

Read Matt. 4:1-11 and reflect on Jesus' use and view of Scripture.

PRACTICE:

Take a recent conflict or difficult situation with a friend and describe how you would counsel them using your Bible.

DISCUSSION:

1. How often do you read your bible?
2. When you read your bible what is your goal or purpose?
3. What does it mean to you to submit to the authority of Scripture?
4. How would defend the Bible if questioned about its authenticity?
